Block numbers are in ().

Before cutting new strips, see what can be cut from leftovers. You may want to put each block's pieces in a separate ziplock bag to make sorting easier. Make sure to label the bags.

* = Cut the widest length first, then trim down to cut other sizes. For example, to cut the background pieces for block D, cut the 7 1/2" x 44" strip first. Cut the 1 1/2" x 7 1/2" pieces. Trim the strip to 6 1/2" and cut the 1 1/2" x 6 1/2" pieces...etc.
